

DRAYAGE AND MATERIAL HANDLING INFORMATION

THIS SERVICE:

Penn State Expo Services powered by Events Technology LLC (herein, PSES) is responsible for maintaining in and out traffic schedules. To assure orderly and expeditious handling of exhibit material in and out of the Show, it is suggested that exhibitors clear all movements of exhibit material through the Official Drayage Contractor.

Outbound shipping instructions should be given to the Official Drayage Contractor at the earliest possible time. All bill of lading and shipping instructions covering outbound shipments will be checked at the time of loading and corrections made where necessary. Freight remaining on the exhibit floor without proper instructions for deposition will be removed and shipped using available information.

LIMITATION OF PSES’S LIABILITY & RESPONSIBILITY

PSES shall not be responsible for damage to uncrated materials, materials improperly packed or concealed damage.

PSES shall not be responsible for loss, theft, or disappearance of exhibitor’s materials after same have been delivered to exhibitor’s booth.

PSES shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor’s booth for re-loading after the Show. Bills-of-lading covering outgoing shipments which are furnished to PSES by exhibitors will be checked at time of actual pickup from booth and corrections made where discrepancies occur.

PSES shall not be responsible for any loss, damage, or delay due to fire, Acts of God, Strikes, lockouts or work stoppages of any kind, or to any causes beyond its control.

PSES’s liability shall be limited to the physical loss or damage to the specific article which is lost or damaged, and in any event PSES’s maximum liability shall be limited to \$1.00 per pound per article, with a maximum liability of \$500.00 per item and \$10,000.00 per shipment.

PSES shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor’s materials which may make it impossible or impractical to exhibit same.

The consignment or delivery of a shipment of PSES by an exhibitor, or by any shipper on behalf of any exhibitor, shall be constructed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set fourth in this Bulletin. All handling charges are the responsibility of the exhibitor.

Exhibitors are urged to carry all risk floater insurance covering materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can be done by adding “riders” to existing policies, often at no additional cost.

In order to expedite removal of material, we shall have the authority, without further clearance with exhibitors, to change designated carriers, if designated carriers do not pick up on time.

Oversized, loose and uncrated shipments and late deliveries requiring Special Handling will be surcharged an additional 35%. Surcharge will be added to the listed rates.
